

Editorial

It gives me immense pleasure to welcome you to the Journal of Mahatma Gandhi University of Medical Sciences and Technology (JMGUMST). This journal, with the help of its editorial board, contributors and readers will publish high quality clinical and epidemiological research and we hope that it will become a leading journal in the respective field.

The journal will include medical, dental, nursing, physiotherapy and allied disciplines under the aegis of the university. The journal will include original research articles, review articles, case reports, short reports, letter to editor, images etc.

Peer review will remain a vital component of our assessment for the submitted articles.

We, the editorial team will continue to do our best to make the journal one of the leading journals. We welcome your continuous contribution.
